6th International Rescue Dog Symposium

21 July – 26 July 1995

Boulder, Colorado, USA

A total of 215 participants were registered for the Symposium on the campus of the University of Boulder and represented Germany, Dubai, England, Finland, Iceland, Italy, The Netherlands, Norway, New Zealand, Austria, Switzerland, Sweden, Spain and the USA.

The organizers informed all participants on the invitation that this symposium would take a different path than others up to that point due to the fact that there was no general sponsor and that the organizing team consisted of a small number of volunteers.
